

“Our unique know-how, smart use of innovative AI technology, and the personal relationship with our clients make an impressive combination.”

**Tom van Helmond**  
Partner Life Sciences & Healthcare

## MedLex AI by Loyens & Loeff

### New legal service

Our Life Sciences & Healthcare (LS&H) team is ranked Tier 1 and Band 1 by Chambers and Legal500. With decades of experience in the healthcare sector, we are proud to introduce **MedLex AI by Loyens & Loeff** - an innovative solution designed for today's challenges.

MedLex AI combines our deep legal expertise with advanced AI technology. What makes this service stand out is not just the technology, but the unique combination of:

- Extensive legal content drawn from thousands of opinions, procedures and transactions.
- Decades of experience with all types of healthcare organisations, from insurers to pharmaceutical companies and care institutions.
- Human expertise in prompting and validating AI-generated results.
- The trusted quality you expect from Loyens & Loeff.

Thanks to our accumulated know-how, market insight, and the right data in a legal context, we deliver fast, secure and reliable advice within two working days.

### What does this new legal service offer?

- AI-driven advice powered by our secured knowledge base and prompt library.
- Supervision by experienced healthcare lawyers.
- Data security guaranteed by IT experts.
- Support in processing AI output in your preferred format.
- Advice delivered within two working days.
- Optional telephone consultation for additional questions.
- Trial period available to experience the benefits.
- Flexible pricing: per advice or via a fixed monthly fee.
- Six-month evaluation based on KPIs such as quality, speed and client satisfaction.

**Further. Better. Together.**

## What makes MedLex AI unique?

- A practical alternative for legal support typically handled by in-house counsel or smaller firms.
- Scalable, flexible assistance tailored to your needs.
- Extra capacity during peak periods, illness or leave.
- Expert-validated advice within two days.
- A reliable alternative to outsourcing.
- Combines cutting-edge AI with Loyens & Loeff's proven expertise.
- Delivers peace of mind, speed and legal certainty.

MedLex AI is the first legal AI service in the Netherlands specifically developed for healthcare-related legal questions validated by Loyens & Loeff's Tier 1 team and offering solutions that are immediately applicable to your organisation.
